

Meeting notes for pokemon website

- Include 3 pokeball as main webpage then maybe hover movement will open up the pokeball and lead to linked site
- 3 pokeball represents starter pokemon (fire, grass, water type) so red, green, and blue color theme?
- goes into info page about pokemon game, trading cards, anime/movie: concise and fun
- card can be about most expensive cards (ie Charizard first edition 30,000 dollars)
